I'm confused, will I be getting an e-copy ? Or do I have to access through PREMIS ?

FYI. You will not get a hard copy directly from Malcolm Pirnie, but let me know if you want me to make you one from mine. Also, if you would prefer to send me your comments, for incorporation into mine, that would be OK too.

Subject Schedule for Internal Review of Passaic CSM

Dear Internal Review Team:

We are nearing completion of the Internal Draft CSM. However, we will not complete the entire document today as planned, but will provide more than enough for you to get started on your review. Here is our updated schedule:

- Chapters 1-17: posted to PREMIS today (9 May), hardcopies received Monday (12 May)
- Remaining technical chapters, 18-23: posted Wed (14 May), hardcopies received Thursday (15 May)

· Conclusions & Executive Summary: posted Friday (16 May), hardcopies received Monday (19 May)\*

We are still working very hard to complete the Peer Review version by 30 May. To meet this important milestone (which is on the critical path toward submission of the Proposed Plan this October), we request your help in providing comments to Ed Garvey\*\* by Thursday, 22 May . Comments provided in redline/strikeout format in the MS Word files are preferred, but we will accept comments in any format (this includes comments written in margins of hardcopies). It is also preferred that you provide your comments as they become available (e.g., when you complete review of individual chapters) so that we can begin working with them ASAP.

Please contact Alice or me with any questions.

Regards,  
Scott
